Guided by our mission statement, "Mount Airy Christian Academy exists for the purpose of maturing its students academically, physically, spiritually, and socially," we desire to partner with parents in educating their children with excellence. We accomplish this through a community network of teachers, staff, parents, students, and extended family. We provide a family-friendly environment where students build life-long relationships.

Because we are accredited by the Association of Christian Schools International (ACSI) and Middle States Association, we must meet high standards in curriculum, course offerings, teacher training and certification, and staffing. Our program is also recognized by the National Honor Society and the NCAA.

MACA's goal is to strive for excellence in a variety of areas. We offer cutting edge technology, competitive sports, service opportunities, and fine arts programs for all age groups. In the high school, we offer a Digitally Enhanced Learning Program, regular and college preparatory diplomas and an innovative internship program.

The best thing about MACA is that we try to put Christ at the center of what we do. We have weekly chapels, daily Bible classes, and numerous ministry projects. The second best thing about MACA is our students and families. I am confident that once you see MACA for yourself, you will want to be a part of it.
