

MACA at a Glance

January 22, 2016

2016-2017 MACA Registration Now Open

Registration for the 2016-2017 school year here at MACA is officially open. Re-enrollment packets were sent home in last week's Communications Envelopes and via email. Re-enrollment directions were in that packet and are attached to today's email. Registration fees are discounted from January 15 - February 29. Current students must re-enroll through RenWeb. If your family includes a student new to MACA, you must register that student through our website for next year.

If you have any questions about the registration process, please do not hesitate to contact us.

You Don't Want to Miss This

MACA families are invited to the annual Extravaganza on Tuesday, January 26, beginning at 6:30 PM. This night is a MACA family night with blessings for everyone who attends. Here's the scoop:

- The first five high school students that come will receive a voucher for a free 2016 high school retreat.
- The first five middle school students that come will receive a voucher for a free 2016 middle school retreat.
- The first five elementary school students that come will receive a voucher for a free week at MACA 2016 summer camps.
- Only one voucher per family.
- The student must be completely re-enrolled (including payment of the registration fee) to be eligible for the voucher.

And that's not all! Any student coming to the Extravaganza (accompanied by at least one parent) who is completely re-enrolled for next year, will receive a voucher for a week of dress down days in April 2016. Please enter via the main school lobby to claim your vouchers.

Afterwards, please visit the cafeteria where the MACA School Board will be hosting an ice cream social. It's a fun night for everyone - we hope to see you there!

Reminder: MACA Inclement Weather Procedures

If the weather ever causes the MACA Administration to delay or cancel school, the following procedure will be followed:

Regarding school delays and closings, MACA does not follow one county's inclement weather decision, but takes into account all the communities where our families live. MACA makes every effort to make a decision by 6:30 AM. School delays and closings will be announced on television (Channel 11 WBAL-TV, Channel 7 WJLA-TV, Channel 9 WUSA-TV and Channel 13 WJZ-TV), FM radio stations (WRBS 95.1 FM, WCRH 90.5 FM and WGTS 91.9 FM), RenWeb emails and text messaging. In addition, parents may also call the school after 6:30 AM to listen to a recorded message. Early closings due to inclement weather or emergencies will also be announced via the above-mentioned sources. All inclement weather announcements will be determined with safety in mind and will be made as quickly as possible.

Report Cards

Report cards are being sent to parents today via email. This marks the end of the second quarter. Semester grades are posted on secondary report cards. As always, if you have any questions or concerns about your child's progress, please do not hesitate to contact the teacher. We want to communicate; let us know!

Calendar Reminders

January 26	MACA Extravaganza, 6:30 PM
February 12	Elementary Valentines' Day Parties, 1:30
February 15	Presidents' Day – No School
February 16	Faculty Professional Day – No School
